Seeking a female model for a Storm Trooper inspired photo shoot. The session will take place in our studio. Nudity is not required for this shoot, however if you are ok with implied or tasteful nudity it will expand the concept of the shoot.

Please be over 18. We ask that you supply your own wardrobe (we have the helmet). We are thinking white bikini, 1 piece or it could even work with the right kind of lingerie. White boots (the higher the better) or white heels needed as well. (we have a pair of 6" heels in a size 7 that would work amazing if you fit that size shoe).

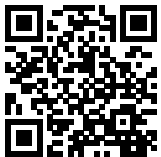

The session would last about an hour and a half, and for your time you will receive fully edited images via a gallery download on our website.

You can check us out at www.bikinisandlace.com O and we are a husband and wife team, we are both present at just about all shoots (if one of us is unavailable we clear it with all models ahead of time) we also have no problem with you bringing a friend along for support if you.
