What would your life be without your music? Bring your technical skills and love of music to help us organize, develop, and increase our digital music library and download personalized Mp3 players for our clinicians to take to their patients. Music has the potential to engage, enliven and comfort patients at end of life. We invite you to support us in this sacred work of serving the dying.

Join Signature Hospice as we develop and expand our music program. We could use your help once or twice a week in our Tigard office. The schedule is flexible during regular business hours Monday through Friday.

Signature Hospice serves patients and families throughout the Portland and Salem metropolitan areas -- Multnomah, Clackamas, Washington, Yamhill, and Marion counties. For additional information contact Volunteer Coordinator Michele ,
