Volunteer with Hospice!

You are invited to share in the sacred work of being with dying. Those of us who work in hospice learn to look more closely rather than away, to touch rather than withdraw, to allow the process to unfold rather than assert an agenda. Hospice companion volunteering is an opportunity to deepen our awareness of the healing presence we each have available to share in each moment, this moment, the only moment we truly have.

Spend 1-2 hours a week visiting a patient in their home. Weekly visits are extremely flexible and we assign you to a patient/family closest to where you live. We serve patients living in all PDX metro areas, outer SE, Gresham, Troutdale, Lake Oswego, Tigard, Tualatin, Beaverton, Sherwood, Hillsboro, etc.

The next volunteer training, comprised of 3 sessions, is scheduled for September 19, 20, & 27, 9am -5pm all days. These sessions will be held at our home office in Tigard. Your assignments will be in your community.

Volunteer roles include: companion volunteer, vigil volunteer, bereavement volunteer, musician volunteer, pet-assisted volunteer, massage therapy volunteer, aroma therapy volunteer and more.

For a complete volunteer job description, application packet, and additional information about volunteering contact Michele Fuchs, Volunteer Coordinator, , direct line), and on our website www.4signatureservice.com.
