Happy little Ozwald is an adorable seven month old male teddy bear hamster who is looking for his new fur-ever family. This cutie came to our adoption facility when his previous owners decided they had too many animals to care for. Ozwald is held daily, and as a result, is sweet and easy to handle. He loves receiving treats; it's so much fun to watch him stuff his cheek pockets full of food. He enjoys running in the plastic exercise wheel, and likes hiding out in the hide-house during the day. He is ready to join his new home, so stop by and visit with Ozwald and all his furry friends at our shelter today! We are open from 12-6 daily!
