Northwest Group is a rapidly growing residential appraisal company seeking a part time person for transferring data to forms and pulling up information from various sources, including the MLS. We offer software for your computer and all training as necessary. You may be asked to find a property and take exterior pictures for developing comparables. If you are interested in how properties are assessed and valued for listing and loans, or interested in getting into some phase of real estate appraisal, sale, or investment, you will learn a lot.

2-3 hours per day needed, 5 days a week to start. Starting wage of \$12/hour to increase quickly as competence and working knowledge of appraisal software is demonstrated. You can work from home or Starbucks. Must have a computer and printer, vehicle helpful for photo shoots. Perfect job for student, stay-at-home parent, retired senior. Any exposure to the appraisal industry a plus. Call Joseph Murashie at We hope to hire this!
