

Fire proof file cabinets by FireKing (,3 USD)

Location **Wisconsin**
<https://www.genclassifieds.com/x-675704-z>

I have 3 fire proof file cabinets by FireKing. They are 36" wide and approx 52" tall. They have 4 drawers. They do include the original keys. I believe these sell for \$3000-\$4000 each. Asking \$1250 for each one. I *think* the model on these is 4-3822-C
