Additional Vehicle Information:

ECOTEC 1.4L I4 SMPI DOHC Turbocharged VVT. So clean, you can't even tell it's used. Babied its whole life. Are you ready for a new family hauler? Then take this gorgeous 2014 Chevrolet Cruze home and load it up, and we can get on with life! It gives surprisingly good fuel mileage. We're sure you won't be spending much time at the pump in this great car.

Why is a Kayser Buyer a Wiser Buyer? We operate our business on a high volume, low price model, which means our prices are very often the lowest prices you'll find. The Kayser name has been known for low prices and small town, personal service for over 90 years in the southern Wisconsin area. Those two principles that were written down in 1925 by Paul Kayser, are still what drive our company today. We believe low prices and a great experience are what our customers desire most when that time comes to buy a car. Thanks for considering us, we hope to get a chance to meet you sometime soon. - Team Kayser Watertown.
