Do you love sports and have had experience with social media and/or sales? Would you like to be part of a booming market with unlimited income potential?

Draft Fury is the newest daily fantasy site similar to other sites such as Draft Kings and Fan Duel. The difference is DraftFury offers a referral program designed to reward you with everyone that gets involved. The site is ready to crush similar sites because of a new interface along with the best options for players. Football season is just around the corner so get on the team!

Please provide links to your social media platforms and include any questions you may have.

Best,
