I am purchasing silver and gold from private individuals for my own savings. I am not a business so I can pay more than anybody else. I pay more for your gold and silver. Try me and find out. I buy (.999) gold coins, gold bars and pre 1964 American (90% silver) coins as well as (.999) silver bars, coins and rounds. I also buy sterling silver. I buy jewelry depending on what it is as long as it is marked. Whatever amount you may have, I will pay the best price for it. I am trying to save some money which is why I am doing this. I do not buy any junk jewelry. Reply by email or call or text eight0four
