Want to know what it takes to grow a highly successful career in the music business?

Hint: It's NOT about having more luck, being young, knowing important people in the biz, living in a large city or trying to get your music in front of more people. Only wannabe pro musicians ever say such things - truly successful musicians never do.

So what IS the big secret to building a successful music career? It comes down to doing 7 core things to make yourself highly valuable to bands and music companies. These things will make you the only logical candidate to receive the music career opportunities that other musicians only wish they had. Here are the 7 things you must do to start your career in music: <http://WisconsinMusic.tomhess.net/MusicCareer.aspx>
