Thanks my "Villard Av". Buddy!!! Quite frankly, the "Gobbler" makes it so easy to play "Don Rickles" that I would actually prefer MORE of a challenge!! Happy Labor Day to you!!

Here we go again! Yet ANOTHER excellent SLAP DOWN of the illiterate hater CODE DOPE. Kim Davis is a DEMOCRAT so what ever the moron CODE DOPE said about her reflects on DEMOCRATS!! LOL LOL LOL!!!!

He didn't see THAT coming because his hate leaves no room for intelligent thought or for checking FACTS, which CODE DOPE knows NOTHING about. He apparently thinks "FACTS" are his opinion and his opinions are nothing more than lies, hate and name-calling, as proven by his posts. His mental illness prevents him from understanding this.
