Looking for lead guitarist

Location **Tennessee** https://www.genclassifieds.com/x-675934-z

Looking for lead guitarist for cover band.

Doing rock songs from the 80s to now... not picky about it, but trying not to do same old stuff. Please send a sample of you playing and dont worry about the quality of it. We are looking to have fun ,play out and make a little money if we can.
