My family and I are looking for a puppy to join us! We are looking for a puppy between the ages of 4 months to a year. The puppy NEEDS to be housebroken, cat friendly, and good with children. My husband and I have a little boy.

Our breed choices are: Border Collie, Australian Shepherd, German Shepherd, Labrador Retriever, Golden Retriever and Doodle mixes. Pit Bulls may be an option as well (depending on age and background.)We have a fenced in backyard, and a dog park near by. We are willing to pay a rehoming fee of a decent amount!

If you have a dog that you think we might like or be a good match, text me at God bless!
