

Looking for artists

Location Georgia  
<https://www.genclassifieds.com/x-676047-z>

Looking for artists to start a team. We will collaborate with each other and help give feedback on each other's music. And help to reach a different audience in different states. I'm a singer/rapper and looking to collaborate and compose for others. All is welcomed to join in on this and I believe this will be a good way to get your music
