j.a.c.k is a blue and gold macaw he's very tame ,talking and has a great personality ,he comes with large cage and lava tree,he's for sale through no fault of his own just due to my health problems,My Parrots are ready to go. They are begining to talk and are 9 months old. They are currently being weaned onto a varied diet of fresh fruits, veggies, beans, nuts, whole grains and zupreem
