My wife and I are getting a divorce and I have no time to properly care for my son's dog. I am working two jobs and dont have the time to give the attention he needs. He is an awesome dog with a great personality and lots of energy! His name is Remington and he is a blue heeler pit bull mix. He is a year and a half old. He is housebroken and kennel trained at night. He listens well and knows a few tricks. I have the paperwork from where he was purchased. He is not neutered but is current on his shots. He's good with kids, other dogs and cats. There is a rehoming fee of \$60 but I will give you a large dog kennel. Contact me if you are interested. Thanks Ryan.
