

1987 4x4 toyota 5speed transmission with transfer case (300 USD)

I have a 5 speed transmission with transfer case for a 1987 toyota pickup 4x4 for sale. Nothing wrong with it. I scraped the rest of the truck down to the frame. Tranny is all that's left that I do not have a need for. \$300 OBO. Pretty lenient on the price. Just rather see it get used by someone than let it sit.
