

# Sweet kitty needs new home (Springdale)

Location

<https://www.genclassifieds.com/x-676216-z>**Arkansas**

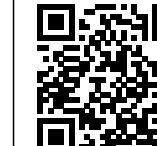

We have a sweet kitty that showed up at a couple of years ago and he needs a new home. We are moving out of town and are worried that whoever buys our house won't continue to care for him. He lives outside but wants to come in in the winter time when its cold. He is UTD on shots and has been neutered. If anyone is interested please call or text.
