

Alaska Airlines Companion Fare (200 USD)

Location **Alaska**
<https://www.genclassifieds.com/x-676272-z>

2 Alaska Airline Companion Fares for \$200 each. Must be booked by February 2016.

If you're flying Alaska Airlines with a companion and your ticket is greater than \$299, I can save you some money! If you're whole family is flying, then snag both coupons!

Companion fares must be booked with a regular ticket.

Companion fares reduce the price of the second ticket to \$99 + any applicable tax.

The account holder (me) has to book the ticket, so we do the transaction in person for assurance on both sides.

To book your ticket, you need your travel dates and destination ready.

Since the tickets must be purchased with a card in my name, I will need:

\$200 (asking price for the coupon)

\$xxx (price of the regular ticket)

\$99 (reduced price of the companion ticket)

\$xxx (total taxes for both tickets)

If you want to go far, then you're flying Alaska Airlines with a companion and your ticket is over \$299, then you can text me and I will save you some money!
