NuVet Plus human grade natural nutritional supplements for dogs against

For older dogs (over 8 years old), it helps reduce and eliminate arthritis, tumors, premature aging, cataracts, heart conditions, diabetes and many types of cancer, while extending the life and improving the vitality of most dogs.

NuVet Plus will keep your pet on the path to perfect health! It's not available in stores, and is only available to the general public with an order code from an authorized pet professional.

TO ORDER CALL: ORDER CODE # 57496.

You can also order online by visiting their website www.nuvet.com. You will need this order code in order for NuVet to process your order as they do not sell to the public without a referral from either a breeder or veterinarian. Ask NuVet to be put on their auto-ship program and you will save 15% off the price. This is in addition to the 45% that you are already saving by ordering with order code number 57496 rather than through your vet as they have such a high overhead and mark-up.

To the long life and health of your!
