Bodie

Age: born April 27, 2015
Sex: Male, neutered
Breed: Domestic Shorthair, Black

Bodie is very friendly, sweet and playful. He's outgoing and likes to talk to you. He loves to explore and loves to play with wand toys. He amuses himself with small toys including ping pong balls. Bodie likes to catch the breeze at an open window. He gets along wonderfully with the other kittens and loves to wrestle and play chase. He's a beautiful sleek kitten. He will do best with another kitten or playful cat for playmate and companion. He's a very mellow and friendly boy.

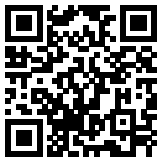

Bodie is vaccinated, tested negative for FIV and Feline Leukemia, and is microchipped.

He will be at the Saturday mobile adoption on Fourth St., across from Peet's Coffee.
