Loving, Trustlined, Infant-Toddler Nanny is now available! Lots of LOVE and TLC!! Many years of experience, with all age groups. Special experience with infants and toddlers. Trustline Registry, CPR/First Aid, many education units, all immunizations (Tdap, yearly flu shot, and TB clearance), and good references. I am very warm, caring, and responsible, and very attentive to all of a child's daily needs, and schedule. I enjoy reading stories aloud, singing cute songs, playing games, doing developmental activities, arts and crafts, and taking a child out to the park, Library Story Hour, infant-toddler classes, and much more! I am also a non-smoker, and an SPCA-trained pet lover. I am happy to do light household chores, errands, shopping, child-related cooking and clean-up, and pet care. Rates are \$12-\$15/hour, for one child. Five-star parent rating, profile, and photo, on Urbansitter website! If interested, please call me at
