Aidon was abandoned with his littermates and mom at West Valley College. His littermates were adopted so Aidon is anxious to find a forever home of his own too. Aidon has beautiful tabby markings with brown fur and black tabby stripes that stand out. He's very handsome. Aidon's mother was a stunning cat with thick stripes down her back. I had never seen markings like this before. When I rescued the trio, they were very scared and shy. Aidon is doing much better, but can still be shy and nervous, especially with new people; so he needs someone who is patient and willing to work with him a bit more while he adjusts to his new home and owners. But once comfortable, Aidon is a very sweet boy that loves to be loved. He also does great with other cats to play with and has a buddy, a little female kitten, that he would loves to be adopted with; but he can also be adopted by himself to a good home.

Aiden is neutered, vacinnated, dewormed, defleaed, and his brother tested negative for FIV/FelV . He'll make a great addition to any home.

If you would like to meet Aidon, please email me.
