This real estate calculator (6 inches X 3 inches) was used for one real estate class. It is like new. It has the original box, but not the instruction manual. That will need to be downloaded. If to be used for a real estate class, you probably wont need the manual. How-to videos are also available on You Tube.

No texts or e-mails please. Call between 10 A.M. and 10 P.M. If no answer, leave a message with your phone number. Exact cash only and pick up at my residence only. I will not hold this item except for reasonable travel time.
