Please Read ENTIRE AD:

Before getting started, if you are a model or entertainer and you are serious about getting involved with the entertainment business as a whole - here is a fact. NO ONE WILL INVEST IN BUILDING YOUR PORTFOLIO/BUSINESS - AND - PAY YOU. Why? Because it isn't a wise investment.

It takes an average of 5 years to build a legit foundation - and that is for someone who is a ten out of ten and has all the talent in the world - which is like 1% of the people who are interested in pursuing a career in entertainment - that is why so many people see it as a dream.

There are a lot of photographers and music producers who like to play the roll of business manager / entertainment manager etc. - because they literally have the ability to help you produce content - but what is next?

Building your fan base - that's next.

How do you do that?

Reaching the masses in bulk, we are not talking about 100 - 200 people - we are talking 100,000 to 500,000 people - and that is what I do for myself and my clients.

So here it is - if you are interested in being a part of something that will get you major exposure - for NO FEE - NO CHARGES and NO WASTING OF YOUR TIME - then reply with your complete name, email address and phone number - also include some pictures and information about yourself.

DO NOT REPLY IF:

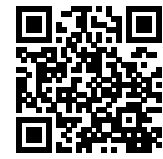

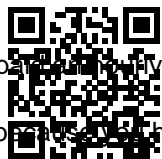

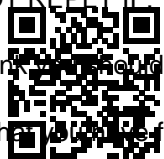

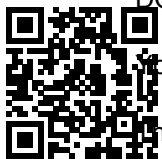

You think you should get paid hourly rate for your talent.

Think that you will be fans building you have a social media account with a lot of followers.

Can't work with something longer than 3 days, 3 weeks or 3 months.

Have personal issues that won't allow you to travel to meriden, connecticut, new york city, and any where else in the opportunity arises.

(Please Note! cover expenses for travel - and promotion - I do not pay hourly rates to help people build their portfolio and/or the foundation to their entertainment career.)
