I have for sale an Avian Adventures Bird cage - great brand, just not sure of the model. It measures 24 x 22", 57" total height, 40" high for the bird's living space. It's nice and sturdy, with heavy-gauge wire and 1" bar spacing. Cage includes one wooden perch and two ceramic bowls for food and water. I'm asking \$100 OBO, will consider reasonable offers as I just want to get this out of my house at this point, lol. Thanks for!
