Free room and board for help with chores in our home. 2 Kids, husband and wife. The downstairs is not furnished, only a bed. Microwave in kitchen. Full bathroom downstairs. No drugs. Chores include but are not limited to: help with laundry, clean the kitchen, living room, one bathroom (bathroom can be once per week). There is no set time, could be 10 minutes, could be 20 minutes the next day. You are not responsible for cleaning the whole house, just helping in a few rooms as mentioned above. We have a large home. The only real important thing is "No sex offenders". We have small kids. We already have a pet cat and do not want anymore pets. Name and number to weed out spammers please. A picture would be nice to place a name with a face. We are in hopes of finding a decent, honest person. Thank.
