hey guys i have 2 fish tank lights for today all are in working condition. im asking 30\$ OBO TODAY ONLY!!!!!!!!!!!!

Deep Blue Professional - SolarFlare Mini Gooseneck LED Light. The SolarFlare Mini Gooseneck LED Light unit clips on to the top edge of almost any small Desktop aquarium, including all Deep Blue Beta tanks and our Rimless Cubes. With 1 6700k 3w white LEDs and 2 blue LEDs at . 25w each, it provides all the light you need for your desktop aquarium. 1x3w 6700K LED 2x. 25w Actinic Blue LEDs New diode configuration as of 11/1/2012

Marineland LED Aquarium Strip Lights provide the ultimate opportunity to create a realistic underwater home-aquarium environment. This all-new line of LED lights is 20% brighter and is designed for reliable, long-term performance. Adjustable mounting legs allow for flexibility in fitting various aquariums widths. The daylight setting is brighter than a single tube fluorescent fixture and the lunar setting provides a realistic moonlight shimmer. Both settings are energy efficient.  
the marine land has a few LEDs out but works great still!!
