

URGENT HOLLEY NEEDS TO LEAVE ACCT BY 6PM TODAY (905) (ACCT PHILLY)

Location **Delaware** https://www.genclassifieds.com/x-676539-z

Isn't Holley just the cutest? She's a tiny little girl at only 30 pounds. She was found as a stray and the loud noises of the shelter seem to be scary for such a little one. Holley is really easy to handle on the leash and she's dog friendly. She was on the submissive side during a dog meet with large dog. She's playful and sweet and will make a fantastic addition to the family lucky enough to take her home.

Holley was returned for being a dog. Like any dog, she needs daily exercise and lots of love. This sweet pup needs to leave ACCT by 6PM.
