Hi my name is Lucy and I'm a sweet healthy 12 year old baby girl cat with a heart of gold. I'm a great cuddler and hope you'll pet me at least 20 minutes every day. I'm a little needy for affection but I never get tired of you petting me either. I'm litter box trained and I'm very talkative. My owner is leaving for a 7 month cruise ship job and would like to find a new home for me, otherwise I may have to go to the pound with 200 other kitties!!! Please save me - I really wouldn't like that because I love humans more than other cats! Please save me and give me a loving home. I'm indoor or indoor/outdoor. I just need to be pet often to be happy and I will keep you company for life! I come with a litter box and some food. I'm fixed and I have all my shots too. Please call

and save me, I'm the sweetest kitten!!!!
