So, you conclude, in your (un)professional opinion, I'm "...bat-shit crazy...", eh? See photo number 1. THAT, dude, is what "...bat-shit crazy..." looks like. I'm nowhere near that.

Your estimation of my IQ is 'waaaay off. Suffice it to say that, not only the US Army but MENSA, has it measured at the genius level. So much for your idiotic and ridiculous assertion of my being at the level of someone with Down's Syndrome. But, what else could we expect of such a one-sided "opinion", as yours is? Accuracy? Of course not.

What's really disturbing here is, you're fine bashing me over a photo I attached, aimed at ONE GUY....but your slimy, obscene and juvenile attack dog buddy gets a free pass on everything he does; bullying, being a walking obscenity machine who can freely berate and libel others however he likes. You're good with that.

But I get psychotic opinions and idiotic drivels over a stupid photo, directed at your moron pal.

Typical right-wing hypocrisy, openly on display, you covering his back (and, I'm certain, vice-versa when the need arises). Right?

Only thing I can say to you is, PISS OFF, you self-serving moron (see photo no.).
