Hi I have a one year old loving chihuahua that is is looking for a new home she is not fixed and does well with kids and animals of all ages but we think she would be better in a family with older children only because of her size and how ruff younger children tend to play she is potty trained and listens very well so if you are looking to add a new addition to your family this pup is the one for you she's up to date on all of her shots and does have a rehoming fee of \$175 just to ensure she's going to a loving home for more info please don't hesitate to email me with any questions you may
