Professional Bassist | Bass Player available for TOURING artist/group.

Former member of several successful rock, pop, and AC groups on Warner Bros./Reprise, Mercury/Polygram, Universal, and Frontiers/Blistering.

Headlined world tours of North America, South America, Europe and the UK.

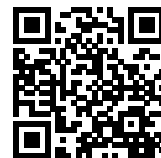

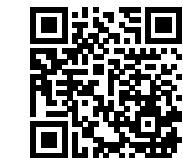

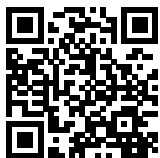

Spector Basses | Rotosound Strings | Hartke Amplification endorsed artist.

Fast learner, and very easy to work with.

If you're looking for someone to assist with occasional showcases, I wish you the absolute best of luck, but I'm not your bassist. I am only interested in joining a full-time TOURING artist/group.
