Location **Minnesota**
<https://www.genclassifieds.com/x-676641-z>

First off I did not take these images but they are representative of the looks I'm going for.....

I'm a highly experienced location and studio model photographer looking for women to pose for a series of yoga poses set in nature and the city.....obviously women who know and practice the poses is what I'm looking for....

For example I'd like to shoot in a forest setting, in very shallow lake water at sunset, on a beach at sunset, on a large rock in the middle of a creek....etc....

Special attention will be paid to natural lighting, environment and atmospherics....shoots would primarily happen around Minneapolis and some in St Paul.

Models will receive copies of all the best images and I can do large format prints as well if you want them....

Drop a line and let me know your thoughts.....I'll send my portfolio link with my..
