Concrete Curbing can and will be installed most times in one day. We cut and remove the sod, mix the concrete on site and extrude the curb all the same day leaving your yard with the least amount of disturbance to your lawn.

Check out <http://www.guyscurbing.com/estimate.htm> for a ballpark figure on what it will cost to improve the look of your yard. Price includes removal and disposal of existing black edging and sod.

When making a decision, make sure to look at Contractor work and also talk to previous customers about their work. Many happy customers. References available.

We are now offering Concrete and Garage floor Resurfacing/Epoxy Interior or Exterior. This is an excellent alternative for patios, walkways, garage floors and basements for a new look. Check out <http://www.rock-solid-surfaces.com>

We are an ICPI Certified installer and also a Certified Granite Installer.
