Location **Minnesota**

Hello there. My name is Paul and I am earning extra income as a day laborer. I am not a "professional" day laborer nor do I have my own equipment or pickup truck. However, I will work very diligently for what I am being paid. I am a no-nonsense type of worker.

I can assist with these types of jobs: debris cleanup, cleaning roof gutters, raking, cutting down tree limbs, moving dirt, assisting with drywall, light landscaping, planting, interior/external demolition, assist with cabinet installation, laying down cement board/tiles, working with Quikrete/mortar/joint compound, cutting grass, digging holes/trenches, exterior/interior painting.

I live in South Minneapolis so I prefer to do work in: South Minneapolis, Apple Valley, West St. Paul, South St. Paul, Minneapolis, Hopkins, St. Louis Park, Eagan, Bloomington and Edina.

Minimum of 2 hours of work. CASH ONLY.

Send me an email or a text msg with the specifics of what you need done. My hourly rate depends on the TYPE of work that you need done. FYI
