

# A Massage you Wont Forget from a Nurturing Spirit (Downtown Minneapolis)

Location **Minnesota**  
<https://www.genclassifieds.com/x-676664-z>

Hello, I'm Natalie.

I have a sweet and nurturing spirit and take great pride in the personal service I offer in my sessions.

I'm a professionally trained massage therapist and specialize in medium to deep tissue massages that are engaging, relaxing and truly holistic. I take a special emphasis on hands, and feet, and my clients say my flow is really good. Have somewhere that hurts - let me know and I'll pay special attention.

My sessions incorporate steamy hot soothing towels, aromatherapy diffuser, and hot beverage service as you leave - all complementary.

I'm conveniently located in Downtown Minneapolis, allowing you to easily fit your visit with me into your busy schedule.

The professional studio is a clean, quiet, comfortable atmosphere with private therapy rooms.

By appointment only - same day & last minutes very welcome!

Call or text my Assistant Madison at (651) 301-9782 to schedule--ask for Natalie!
