If you are looking for a property manager who has over 15 years of knowledge in all areas of the business, then I'm the one you are looking for. If you have one property, or 100, if you are local or out of state I can help you.

I do the same job that you would find with any other company in Kansas City, but I do it a lot cheaper. Right now for new clients I am offering a special.

6% of the monthly rent no charge for empty units.

When I rent one of your units I will get paid 1/2 of the first month's rent.

These are all of the fee's that you will ever pay!

No contracts to sign, if you are not happy with my service, just give me a 30 day notice.

So that is about it. I provide advertising, showings, inspections,(once a month on rented units, and weekly on empty units) rent collections, evictions when needed. If you are interested e-mail me here.

Thank
