2619 SF, large corner lot in the desirable Ventana sub. This one owner home has been well loved and recently updated with new exterior paint, slab granite counters, glass tile backsplash, engineered flooring, custom landscaping and more. The living room features a soaring 20 ft ceiling that floods the home with light. The large family room is a great place to relax and will easily accommodate that huge comfy couch you've always wanted. Huge master, community pool!!
