Coyotes harassing the livestock, beaver damming up the low land?

Start taking care of these problems yourself!

With 50+ years experience trapping, being a lead instructor at the FTA Professional Trapping College and certified instructor in Indiana and Minnesota I offer instructions at every level.

We will cover footholds and sets, body grip devices and snares.

These instructions can be given at your location for the best coverage for your fur harvesting.

Give me a call at 308-440-342 nine with questions concerning book a day and pricing.

Thank you for looking and I look forward to hearing from!
