Hello there,

I am a very experience eBay Top Rated Power Seller Consultant, I have had the privilege with working with new companies and have started their online presence from the ground up. I have also gone to many eBay seminars along with paid for eBay/eBay Motors Consultations on my own. I am VERY experience and knowledgeable with all things eBay. I have the tools and know how on how to get your company selling. I can come in and train your employee's on tricks and processes that will get you on the right path to being a High Volume eBay/Amazon Seller.

If you own a business and are looking to make a cross over onto eBay/Amazon/Online I can get you on the path to Success. Please email me with any information. Text works also.
