

Looking for small time investors (NWA)

Location

Arkansas

<https://www.genclassifieds.com/x-677052-z>

Looking for small donations to my start up fund. Trying to start a book store in Fayetteville that promotes literacy, employs people down on their luck, and offers textbooks at lower prices. Any money is welcome and will be rewarded with your choice of discounts or small percentage of business income for first six months or until your donation is paid back to you plus half. Please reply by email with any and all questions, thank!

Looking for small time investors (N/A)
