Hi everyone,

I need to move the contents of my 2 bedroom apartment upstate from Brooklyn to Buffalo (NY).

I'd be open to quotes from moving companies, as well as trust-worthy individuals with experience who can rent a U-Haul (or similar) and transport my belongings to Buffalo....or if you have your own (min. 24' length) truck, that's fine too, of course.

For reference, I have about 5 rooms worth of items. . .3 sofas, desk, 2 queen beds with mattresses, few book shelves, couple of wardrobes, 50" flat-screen TV and stand, maybe 30 to 40 mid size boxes, etc.

If interested, please let me know your experience and estimated quotation.
