Kansas

Available immediately is the master bedroom of a 2bd/2bth luxury unit at The Hemingway Plaza, located in the Country Club Plaza district.

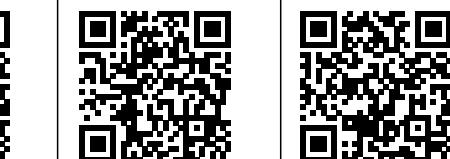

The bedroom is very spacious, with a private bathroom and sits on a corner of the building, so it doesn't share any walls with neighbors or the other bedroom. The condo has high-end wood floors, granite countertops, appliances and a washer/dryer in the unit. It is kept in pristine condition. The common spaces are already furnished. Valet service is included in rent -- the building's staff will park and pull up your car as needed, and can also have your car pulled up and ready each morning based on your work scheduled!

The building includes a private gym, an extremely spacious rooftop with an amazing view of The Country Club Plaza, 24-hour concierge service, and immediate, walkable access to The Plaza as soon as you walk out the front door.

I am a quiet and very clean 33-year-old male. I'm looking for someone who is responsible, clean and respectful. No pets please. Feel free to contact me with any questions or to set up a time to.
