Great trailer, I've just been put in a position were I need money and need it now. Trailer is loaded and you must take contents with the sale. It's mostly lumber and tree limbs. I can't afford to dump it at the moment and its parked at a friends and needs to be moved. Since I don't have a place to store it at the moment I have no choice but to sell. Good tires and I have a new tire I will include for a spare. I need this sold as soon ad possible, if you can make the deal happen tonight I will go as low as 850...that is for tonight.
