Sweet sheltie mix puppy needs a home. I rescued her from a bad situation. She is a sweet girl who needs someone willing to put some time into her to bring her out of her shell. She can be a bit timid but she is young enough that with some good experiences and socialization she can turn into a well rounded little girl.

She likes other dogs and is good with kids - doesn't have a mean bone in her body, but she can be shy at first. Once she warms up she is a goof ball and loves to tear around the yard and play in the leaves.

I'm not interested in making a profit off of her, but I'd still like to make sure she gets a great home. In lieu of an adoption fee I would like to have her signed up for a puppy training/socialization course at a positive reinforcement training center to ensure she's on the path to becoming a stable young adult.

Email or text me with a bit of information about yourself and where the puppy would live and I will contact you to set up a time to meet her.

Thanks for reading.
