Our business builds legal cpn numbers for the purpose of establishing a new credit. A cpn is a 9 digit number used like a ssn for credit applying and reporting. It is a legal means to fresh start. Your credit will not show evictions, judgments, deliquent payments, or any type of negative credit. With our service as long as you can provide rental properties/landlords with proof of income you can rent. Don't take our word for it. Check what we're saying. You can find all sorts of info online easily. You won't just qualify for rentals either. Vehicle financing, credit cards, furniture, utilities, cable and more are all easy to get with a cpn number. Want our website and contact number? Just respond to this post and we'll send you all the info you.
