Please visit our website for more details, my rates are lower than boarding fees in Overland Park and more important, we offer a unique environment vs. having your dog caged for long periods of time and we never overbook because this is a home environment and one your dog will truly enjoy vs. being caged in a small kennel.

We have a small friendly 17 lb. West Highland Terrier (Toby) who loves to play and have a large fenced in backyard, the gate is always secured with a padlock and 3 latch locks, 24/7, for my dog's safety and yours.

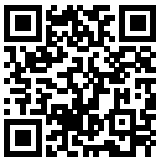

We watch dogs 20 lbs. and under.

Sorry, no large dogs.

I'm retired, reliable and your pet will feel safe and at home here.

Day care and overnight services available.

Please call between the 9:00 AM and 8:00 PM.
