This recently updated Puamana condo is in pristine condition and is fully turnkey. All furnishings and furniture are included in the price, with the exception of a few personal items. This gem can be your first home, second home or vacation rented.

As soon as you walk in the front door you can sense the TLC and nice upgrades throughout starting with the tile floors and gorgeous Brazilian cherry wood floors in the bedrooms.

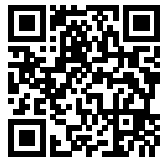

Very nicely furnished with large dining room table, sectional and large and comfortable beds. Newer washer and dryer.

This is a must see in the under 400K market.
