Location **Illinois**  
<https://www.genclassifieds.com/x-677463-z>

I have been doing daycare in my home for over 25 years. The Children that I have watched over the years all have grown up and gone away to college. They all still keep in contact with me and visit me when they can. They all consider me a part of their family and that's special to me. I treasure all those years with them. I am located in Jefferson Park. (Milwaukee-Foster-Lawrence Area.) Perfect for you if you travel the blue line or Metra)

I have a book of references, lots of toys for all ages. I provide all meals. There is a park a block away for weather permitting days. I have reasonable rates for Full and Part time. If you need a safe, loving and learning place for you precious little one to be, My home is the place. Please reply to this ad anytime with any questions or to meet with me. Looking forward to meeting you and your little one.
